

Who Do You Know Survey

- Remember to use your community's address and include the name of your community when sharing your contact information
- You can have more than one relationship with your legislator
 - Have you lived next door to your legislator for 10 years **AND** they've visited your community
- Be as detailed as possible when filling out the dialogue box and letting CALA know about your relationship with your legislator
- You can also have relationships with legislative staff, just be sure to detail that in the dialogue box
- Keeping CALA informed helps us reinforce the relationships and advocate for you!

If you have any questions or want to get involved, let [Maddie](#) know!
